

“When I was your age...”

For this activity, you will need a partner who is a different age than you. Have the older of you think about when they were your age, or choose an age that you have both already been. Then, compare your answers to the following questions.

When I was _____ years old	Name: _____ Year Born: _____	Name: _____ Year Born: _____
What was your favorite treat?		
What did you do for fun in the summer?		
What did you like to eat for lunch at school?		
How did you get to school?		
What was your favorite game to play?		
What was your favorite toy?		
How did you celebrate your favorite holiday?		

Are any of your answers the same? Are any of their answers things you have never heard of? Do you have more ideas of things that may have changed? You can use the back of this sheet to come up with questions of your own.
